

COME TO THE FRED KAISER BUILDING (KAIS) TO START AT OUR WELCOME BOOTH 10AM-4PM

- Pick up the printed program for the day's activities here.
- Get a copy of our viewbook and get free swag!
- Have questions? Start here. Our students and staff are happy to help you get all the information you need to start exploring.

ARCHITECTURE & LANDSCAPE ARCHITECTURE 12:00PM - 5PM

- Find out about our environmental design, architecture, and landscape architecture programs, discover what our faculty are working on, and learn how to put together a well-designed portfolio. For the location, go to the Forest Sciences building -#6 on the map.

ACADEMIC PROGRAM FAIR

KAIS ATRIUM & 2ND FLOOR (#2 ON MAP)

To discover the vast opportunities within engineering, check out each of our programs, student groups and support available to students at the Program Fair.

OPEN HOUSE BUILDINGS MAP

BUILDINGS KEY	
#1	ESB Earth Science Building (Most tours start here & Presentations)
#2	KAIS Fred Kaiser Building (Academic booth fair - 1st & 2nd floor & Demo rooms)
#3	MCLD MacLeod Building (Demo room)
#4	ESC Engineering Student Centre (Student Design Teams)
	EDC Engineering Design Centre (Student Design Teams)
#5	CHBE Chemical & Biological Engineering (Presentation rooms and Demo rooms)
#6	Forest Sciences Architecture & Landscape Architecture (12:30 - 5pm)

UBC Engineering and Architecture & Landscape Architecture Open House

www.engineering.ubc.ca/openhouse

ENGINEER YOUR DAY

See building locations (numbered) on the back map

	Presentations (Buildings #1 & 5 on map)				Program Fair (#2)	Admissions & Advising (#2)	Demonstrations & Displays (#2, 3 & 5)				Engineering Student Design Teams (#4 & 5)		Lab Tours - Pre-Registration Required (#1)						Plan YOUR day								
Location	ESB 1012 (1)	ESB 1013 (1)	CHBE 101 (5)	CHBE 102 (5)	KAIS Atrium & 2nd floor (2)	KAIS 1100 Engineering Student Services (2)	Chemical & Biological Engineering CHBE Atrium (5)	Engineering Physics MCLD 202 (3)	Mechanical Engineering KAIS 1180 (2) KAIS 1190 (2)		Team Booths ESC and EDC Atriums (4)	Tours and presentations. Starts at: CHBE 103 (5)	Departure from ESB Atrium. Check in at least 10 minutes early as tours will be departing promptly. You can sign up online up to a half hour before the tour starts. Tours are approximately 30min, but sometimes run over slightly. Please plan accordingly. If you DID NOT SIGN UP ONLINE: go to the ESB Atrium as we may have spots available in the case of no shows. (1)						ADD YOUR TOUR FIRST! Then plan around it. Choose at least one activity from each coloured section, to experience the most from the Open House.								
10:00 am	We highly recommend attending the "Why Engineering?" and "Admissions" presentations to get the basic information you need. (Most presentations are approx. 30-40 min, with time to ask questions, except 3 Country Nuclear - which is an hour)				DROP IN ALL DAY	DROP IN ALL DAY	DROP IN ALL DAY	DROP IN ALL DAY	DROP IN ALL DAY	DROP IN ALL DAY	DROP IN ALL DAY	10:15 - 10:45								10:00 am							
10:30 am	Why Engineering? All the reasons why Engineering is the BEST field to be in.		Engineering Co-op Program Your career starts here. (UBC Engineering Co-op staff and student)	Student Experience at UBCO's School of Engineering	Visit all our academic departments and programs. Talk to current students, professors and advisors who would love to share their experiences.	Have questions about admissions? About services? About finances? Anything at all? Come talk to one of our Academic Advisors, Enrolment Services Advisors or Admissions Advisors.	Find out about new technologies for better drinking water, cleaner fuels and alternative energy sources. PLUS: Taste the best ice cream in the world!	See cool autonomous ROBOTS created by students in the Engineering Physics' display room.	Meet Charlie the Robot and explore a Mechanical Engineering Undergraduate lab.	Take a look at a working machine shop - view where students get to work on their projects and see a live demonstration of the waterjet cutter.	Engineering Student Design Teams are one of our best assets. From Biomedical to race cars to autonomous soccer bots, check out their amazing creations and what they do!	10:45 - 11:15	CHBE		CSL	HYDR	ECE	BME	SCBR	10:30 am							
11:00 am																		11:15 - 11:45	CHBE	BIOP	CSL	HYDR		BME	SCBR	11:00 am	
11:30 am	3 Country Nuclear Arms Control Negotiation Participate in an interactive mock class on disarmament and negotiation. (Prof Yedlin) Please bring a phone or tablet to participate. (approx. 1hr)	Admissions Everything you need to know to apply to UBC Engineering.																	11:45 - 12:15	CHBE	BIOP	CSL	HYDR	ECE	BME		11:30 am
12:00 pm			All About Chemical & Biological Engineering	Geering Up Engineering & Science Show Join us for an explosive science show featuring our favourite experiments.															12:15 - 12:45	CHBE	BIOP	CSL	HYDR		BME		12:00 pm
12:30 pm																			12:45 - 1:15	CHBE	BIOP	CSL	HYDR		BME		12:30 pm
1:00 pm		Admissions Everything you need to know to apply to UBC Engineering.	Engineering Co-op Program Your career starts here. (UBC Engineering Co-op staff and student)																1:15 - 1:45	CHBE		CSL	HYDR			SCBR	1:00 pm
1:30 pm	Why Engineering? All the reasons why Engineering is the BEST field to be in.																		1:45 - 2:15	CHBE		CSL	HYDR	ECE		SCBR	1:30 pm
2:00 pm				All About Chemical & Biological Engineering															2:15 - 2:45	CHBE		CSL	HYDR				2:00 pm
2:30 pm		Admissions Everything you need to know to apply to UBC Engineering.	Engineering in Entrepreneurship Solving problems using Engineering and Entrepreneurship through stories of failure and success.																2:45 - 3:15	CHBE		CSL	HYDR	ECE		SCBR	2:30 pm
3:00 pm																			3:15 - 3:45	CHBE							3:00 pm
3:30 pm												UBC Rocket								3:30 pm
